nima.razi@hotmail.com | (+358) 41 478 6217 | 65100 Vaasa

I've worked in software development and IT support for over a year. My strengths are in front-end and database design with basis in HTML, CSS, JavaScript & SQL. In freetime I constantly work on my knowledge in programming and learning english. I'm also starting masters degree studies in September 2024 at University of Vaasa.
